A small brewery, some rad beers and great food.

Welcome to Aegir

Aegir Project Taproom is a family-friendly Taproom.

Since opening our doors in 2015 as a small, passion-fuelled brewery obsessed with pushing the boundaries on flavour, we're proud to have grown into a welcoming home-away-from-home.

Whether you're taking in the view of Noordhoek Beach from the deck with an icy pint in hand, tucking into one of our hand-stretched, Neapolitan-style sourdough pizzas, or sampling our killer coffee while the kids tear through the playground, we hope to make it a memorable time
